JOSEPH SZABO: TEENAGE

M + B is hosting the first solo exhibition of work by renowned photographer Joseph Szabo in Los Angeles. As a high school teacher on Long Island, New York for more than two decades, Szabo used his rare gift for capturing the spirit of his students at Malverne High School between puberty and adulthood. For twenty five years he recorded their sensitivity, pretensions, passions and confusion in this series of extraordinary images. "Teenage" is on view from March 3 through April 14, 2007. M + B Fine Art is located at 612 North Almont Drive in Los Angeles.
